Families,

I am writing with a final update on the three portable classrooms that were placed at **Charles P. Allen High School** over the summer. As you know, the additional spaces are required to support enrolment growth in the school community.

HRCE's Operations Team refreshed both the interior and exterior of the buildings in the past two months. I am excited to let you know that we are ready to welcome students into their new learning spaces!

There are a few finishing touches that will take place in the coming days. Any work will happen after school hours so there is no disruption to learning.

If you have any questions, I encourage you to reach out to the school principal. You can find all previous updates [here](#).

Wishing you and your family a successful start to the 2022-23 school year.
