

September 21, 2023

Families,

We hope students enjoyed their first few weeks of the 2023-24 school year. I am writing with an update on the project to replace St. Joseph's-Alexander McKay Elementary.

We have received a new [project status report](#) from the province including a new aerial photo of the school site.

Excavation for the new school has already started and foundation work is scheduled to start this month.

We'll continue to provide you with updates as the project progresses. You can also find up-to-date information [here](#).

Wishing you and your family a successful 2023-24 school year.

Sincerely,
