

April 8, 2024

Families,

I am writing with an update on the roof repair project at Tantallon Senior Elementary.

The repairs were expected to be completed in March 2024; however, we experienced some delays due to the snow and rain we received in recent months. We will continue to work on this project and expect it to be complete in May 2024.

Most of the work will take place after school hours. We will do our best to minimize any disruption or noise during the school day.

We appreciate your patience and cooperation as we complete this important project. If you have any questions or concerns, please contact HRCE Operations Services at hrceoperations@hrce.ca.

Sincerely,

Kavita Khanna P.Eng., MBA
Director, Operations Services
Halifax Regional Centre for Education
