

February 8, 2023

Families,

We are writing to provide an update on the project to replace St. Joseph's-Alexander McKay Elementary.

In our [previous update](#), the proposed timeline for issuing the building tender was the end of January. Though it has yet to be made public, the tender is progressing, and we expect it will be public soon. We will provide another update once the tender is live.

We also wanted to let you know that the School Steering Committee met last week. [Click here](#) to read minutes from that meeting.

We are all excited to see the building stage of the project begin. The targeted date for opening the new building remains September 2024.

We will continue to provide you with updates as the project progresses. You can also find up-to-date information [here](#).

Thank you for your patience and understanding.

Sincerely,

Kavita Khanna P.Eng., MBA
Director Of Operations Services
