Subject: School Advisory Council Annual Survey

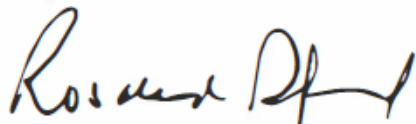

Thank you for volunteering your time to serve your school community as part of your School Advisory Council (SAC). SACs are an integral part of Nova Scotia's public schools. As part of an SAC, you play a valuable role in promoting student achievement and safe and inclusive schools.

We are reaching out to share a new annual survey for SACs. This survey gathers basic information about the make-up of your SAC and seeks your input on topics for professional development and other supports to optimize the work of your SAC. This survey is an important tool to help the Department of Education and Early Childhood Development (EECD) and the Regional Centres for Education (RCEs) and the Conseil scolaire acadien provincial (CSAP) ensure that SACs have the information and resources required to support student achievement and well-being.

Please complete only one survey per-SAC. The survey can be accessed via the following links: <https://forms.gle/RmUU7JXSqCiCTWEx7> (in French) <https://forms.gle/AHfZsK9RafyvBczP8> (in English).

Thank you again for your service and for taking the time to complete this survey. We look forward to continuing to work and engage with SACs. Please submit the response for your SAC no later than November 30, 2022.

Sincerely,

Rosalind Penfound
Deputy Minister of Education and Early Childhood Development
