Families,

I am writing to let you know of some upcoming site improvements scheduled for John W. MacLeod – Fleming Tower Elementary at 1511 Purcell’s Cove Road. The pathways, parking lot and drainage at the school site are being re-designed and upgraded.

This project is expected to start this summer and should be completed in the fall.

You may see workers on site as we begin preliminary work for this project. Please be assured that learning will not be impacted.

You can expect further updates over the next few months. If you have questions or concerns, please contact the HRCE Operations Services team at hrceoperations@hrce.ca.

Sincerely,

Kavita Khanna
Director, Operations Services
