Families,

I am writing to let you know of some upcoming improvements scheduled for Sunnyside Elementary (Fort Sackville site at 21 Perth Street).

Over the next few months, all remaining windows in the school are scheduled to be replaced. This will allow for improved ventilation throughout the school.

This project is expected to start this summer and should be completed this fall.

You may see workers on site as we begin preliminary work for this project. Please be assured that learning will not be impacted.

You can expect further updates over the next few months. If you have questions or concerns, please contact the HRCE Operations Services team at [hrceoperations@hrce.ca](mailto:hrceoperations@hrce.ca).

Sincerely,

Kavita Khanna  
Director, Operations Services  
Halifax Regional Centre for Education
