Families,

I am writing to let you know of some upcoming improvements scheduled for St. Joseph's A. McKay Elementary (current school site at 1589 Walnut Street). We will be investigating and planning upgrades to the heating system.

We do not yet have an anticipated start date; however, we will be reaching out in the coming months as we have more information to share.

You may see workers on site as we begin preliminary work for this project. Please be assured that learning will not be impacted.

If you have questions or concerns, please contact the HRCE Operations Services team at [hrceoperations@hrce.ca](mailto:hrceoperations@hrce.ca).

Sincerely,

Kavita Khanna  
Director, Operations Services  
Halifax Regional Centre for Education
