Families,

I am writing to let you know of some upcoming improvements scheduled for Saint Mary's Elementary.

Over the next few months, all windows and fans in the school are scheduled to be replaced. This will support improved ventilation throughout the school.

This project is expected to start this summer and should be completed this fall.

You may see workers on site as we begin preliminary work for this project. Please be assured that learning will not be impacted.

You can expect further updates over the next few months. If you have questions or concerns, please contact the HRCE Operations Services team at hrceoperations@hrce.ca.

Sincerely,

Kavita Khanna
Director, Operations Services
