Families,

Thank you to everyone who provided their thoughts and feedback since we shared upcoming changes in the Woodlawn High Family of Schools! Your feedback is meaningful in helping us create a strong transition plan for all students that will experience changes in September.

We know the success of each student's experience will depend on a strong transition plan. We wanted your input on how we could best support your child to ensure their success and well-being through this transition.

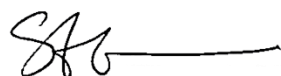

We have heard from more than 300 participants who shared over 260 thoughts and offered over 6,300 ratings on *ThoughtExchange*. To see the summary report from *ThoughtExchange*, [click here](#).

What's next?

Your perspectives and thoughts have been shared directly with schools and will help to develop transition plans that reflect the needs of each student. You can expect regular communication from school principals soon as more information becomes available about transition plans.

In the meantime, if you have any questions, please reach out to your school principal or connect@hrce.ca. As always, we will continue to update our website with answers to your questions.

All the best,

Steve Gallagher
