Families,

I am writing to let you know that the roof at A.J. Smeltzer Junior High is scheduled to be replaced.

This project is expected to start this summer and should be completed this fall.

You may see workers on site as we begin preliminary work for this project. Please be assured that learning will not be impacted.

You can expect further updates over the next few months. If you have questions or concerns, please contact the HRCE Operations Services team at hrceoperations@hrce.ca.

Sincerely,

Kavita Khanna
Director, Operations Services
