Families,

Last month, we [let you know](#) that the portable classroom would be arriving at John MacNeil Elementary in the coming weeks.

Late tomorrow evening, between 12:00 a.m. and 3:00 a.m., (early morning of Wednesday, August 16) the portable classroom will arrive at the school site via a police escort. It will be transported up Leaman Drive.

We are recommending that families living on Leaman Drive ensure their vehicle is not parked on the road during that time. If a vehicle is blocking the route, Halifax Regional Police may need to knock on resident doors to find the vehicle's owner and have the vehicle moved.

As a reminder, once the portable classroom arrives, the space will be refreshed, including adding furniture and technology set up.

We appreciate your cooperation as we work to ensure the portable classroom is a safe and welcoming learning space for students in September. Please feel free to share this email with other families in your community.

If you have any questions or concerns, please contact the HRCE Operations Services team at hrceoperations@hrce.ca.

Sincerely,
