

June 27, 2024

Families,

I am writing to welcome you and your child to the Halifax Regional Centre for Education (HRCE)!

You are receiving this message because you have registered for the Pre-Primary program at Musquodoboit Valley Education Centre (MVEC) for September 2024.

We are excited to let you know that the Pre-Primary program will be offered at both MVEC and Upper Musquodoboit Consolidated Elementary for the 2024-25 school year, due to enrolment growth in the program. Children will attend the program at the school within catchment area of their home address. [Click here](#) to search for your home school.

The Pre-Primary program at both schools will be the same high-quality, play-based experience that is offered at any HRCE location. Children will become curious, confident, and capable learners who will be well-prepared to join their home school for Grade Primary.

Transportation

Pre-Primary children will be provided transportation if they meet [eligibility requirements](#). In early July, you can confirm your child's eligibility in [BusPlanner](#). The HRCE Student Transportation team will also reach out over the summer with more details.

What happens next?

Closer to September, an Early Childhood Educator with Pre-Primary will reach out to you with more information about starting the program this fall.

If you have any questions or concerns, please send us a message at connect@hrce.ca.

We are excited to have you join us this September!

With thanks,

Steve Gallagher
Regional Executive Director
Halifax Regional Centre for Education
