

September 3, 2024

Families,

I am happy to share that the eight classrooms within the new modular structure at Fairview Junior High will be ready to welcome students when school begins on Thursday, September 5.

Some finishing touches will be made in the coming weeks. Most of the work will happen outside of school hours to minimize any impact on learning.

Additional parking is also being added near the front of the school. We expect construction in this area to be completed later this month.

If you have any questions, please contact HRCE Operations Services at hrceoperations@hrce.ca.

Wishing you and your family a successful start to the 2024-25 school year!

Sincerely,

Kavita Khanna P.Eng., MBA
