

September 12, 2024

Families,

I am writing with an update on Eastern Shore Consolidated School, the new grades 7-12 school in East Chezzetcook that will replace Gaetz Brook Junior High and Eastern Shore District High schools.

We have received a new [project status report](#) from the province, including an updated aerial view of the school's progress and photos of a classroom and cafeteria.

The new school is now expected to be complete in December 2024; however, we still plan for it to open and be ready for learning in early 2025.

As a reminder, more information about the new school can be found on our [website](#), including School Steering Team minutes, project status reports and correspondence with the school community.

We will continue to provide you with progress updates as they become available.

If you have any questions, please reach out to HRCE Operations Services at hrceoperations@hrce.ca.

Sincerely,

Kavita Khanna P.Eng., MBA
Director, Operations Services
